

Nominations Invited for 2016 Election of the AAUP Illinois Conference

Dear AAUP member,

The Illinois Conference Nominating Committee seeks nominations for candidates for election to the AAUP's Officers and Executive Committee. Nominations are due.

The conference is responsible for overseeing the affairs of the AAUP, including setting dues, overseeing finances, establishing standing committees, and promoting the exchange of ideas among the membership, the leadership, and the staff. The conference generally meets in person twice a year usually in the Chicago area; between meetings, it conducts business via frequent e-mail discussions and conference calls.

All members of the AAUP in good standing, with the exception of associate members, are eligible to be elected to conference positions and to nominate other eligible members. The committee seeks a diverse group of candidates with experience in the AAUP at the local, state, or national level.

Positions that are open for election to two-year terms:

- 1) president
- 2) first vice president
- 3) executive committee

If you wish to nominate yourself as a candidate for an office or conference position OR to nominate another eligible member, you must submit the following information to the Nominating Committee by March 25, 2016:

1. The position for which the individual is being nominated.
2. The name, institution, and e-mail address of the individual being nominated.
3. The name, institution, and e-mail address of the individual making the nomination (if not self nominating).

Please send nominations by e-mail message to nominations@aaup.org or by surface mail to:
